## Small Request

If you have any jogging bottoms, leggings, underwear or socks that your child no longer wears these will be greatly appreciated. From time to time children have slight accidents and we have completely run out of spares clothes in their bags...

Thank you

## Under 2's

Our under 2's are continuing activities on the theme 'our 5 senses'. This week they will be concentrating on their sense of smell. The children will carry out activities that enable them to smell different scents and this will be incorporated throughout the day, e.g. smelling different fruit and vegetables.

## Happy birthday

Birthday wishes to:  
Andreas and Eden

The preschool children decorated cards and flowers for their lovely Mother's using different coloured tissue paper.

## Muddy puddle walk

The children will be participating in the 'Muddy puddle walk' for Save the Children.

We would like all the children to participate, including the under 2's!
